

Dear Parents,

The Edge in Standardized Testing, a professional tutoring agency specializing in PSAT, SAT and ACT preparation, has created a program tailored for your children. There are weekend and weekday options available; both options are offered live or virtually. ***The program focuses on the skills and strategies necessary to excel on the SAT and the ACT.*** Administration, therefore, encourages your children to participate in this excellent opportunity.

Through informative instruction, guided practice, specialized lesson plans and an expertly defined curriculum, the program will propel students to succeed on standardized tests. ***Therefore, your children will greatly increase their possibilities of being accepted into and receiving scholarships from the colleges of their choice.***

The program will cover all sections relevant to standardized tests. Last year, the program was taught to over four hundred students at STA. ***Emerging from this group were several perfect scores and an incredible average level of improvement - over 150 points on the SAT and over 5 points on the composite score of the ACT.***

***The weekend program will consist of four total classes held on the Saturday and Sunday of two separate weekends. Each weekend class will start at 8:00 and end at noon. The dates of the four classes of each weekend program are listed below.***

***The weekday program will consist of 12 total classes held on Tuesdays and Thursdays for six consecutive weeks. Classes will start at 2:45 and end at 4:05. The dates of this program are listed below.***

***To enroll, click on the following link: <https://www.edgeintesting.com>. Then, choose the 16-hour program (or other type of tutoring) that works best for you, enter your information into the required fields and make the payment - \$500 for virtual and \$600 for live. If you have any questions or concerns, please email Mr. Aloma at [adam.aloma@aquinas-sta.org](mailto:adam.aloma@aquinas-sta.org).***
